3450 Norwood Road
Shaker Heights, OH 44122

(216) 991-1444
parishoffice@stdominicchurch.net

Office Hours
9am-5pm Monday-Friday
9am-4:30pm Saturday
9am-1:30pm Sunday

WELCOME, VISITORS

Thank you for joining our Eucharistic celebration. If you are interested in becoming a St. Dominic parishioner, please pick up a registration packet at the doors to the church or at the parish office during normal business hours.

If you would like to discuss taking the next step in your faith life — whatever that step might be — please call us at the parish office to arrange an appointment.

MASS SCHEDULE

Weekend Eucharistic Celebrations

Saturday Vigil Mass - 5:00 PM
Sunday Masses - 9:00 AM & 11:15 AM

Daily Eucharistic Celebrations

Monday - Saturday 6:30 AM Mass
Monday - Friday (excluding Thursday) 8:30 AM Mass
Thursday Morning Rosary - 8:00 AM

PASTOR'S NOTES

Faith...family...friendships, new and old...the Block Party always reminds us of the many blessings we share in as a parish community. It has been another year of amazing mission trips to El Salvador and mission trips to our local Project Serve partners in Cleveland. More than a 1000 of you have given of yourselves in service to those in need! Yes, we continue to experience the joy of sharing our blessings with others; yet with each of those service opportunities, we find ourselves equally blessed by the gratitude and beautiful faith of those we serve. Pope Francis urges us to not see each other as rich and poor but as brothers and sisters in God's family, and you clearly make that vision come alive in your giving to our community. Time, talents and treasures...we all have something to give...and in the giving we receive. I am honored to be part of this community of faith and service.

Thanks to those who quickly responded to Liz Woconish's request for PSR teachers. Happy to announce the faculty is full! New parishioners are reminded to register their children online for PSR classes or give the office a call for guidance. Please note that children with special needs are always welcome. We do our best to accommodate every child's learning difference to bring him or her closer to Christ!

The St. Dominic Day School is bustling with activity as our new principal Maureen Covington prepares for her new role. As I told her when she signed the contract, "**Maureen, you are the pastor of our school, in charge of forming our kids' hearts, minds and souls.**" I can think of no better person than Maureen to guide us in the new school year. Pray for her success!

Please note that the hedge around the front triangle has been there for more than 60 years and the taxus were either dying or had just become unmanageable, blocking the view of the sign and just looking tired. Our landscapers are preparing some new ideas. Stay tuned!

Liz Woconish

Charles Brown	Carol Gries	Bernice Massey	Rudolph Thompson, Sr.	
Ellen Cooper	Kathy Grimes	Beatrice Moore	Kathy Warren	

TECHNOLOGY INFUSED LEARNING

After successfully implementing 1-1 Chromebooks in our sixth through eighth grade classes last year, St. Dominic School has decided to add the fifth grade students to the mix. The philosophy of technology integration at the school is that devices and apps should not drive learning but should be in support of learning. Students use their Chromebooks to participate in class discussions, watch videos in flipped learning classrooms, write essays, and keep track of their assignments, and much more. Once our fifth grade students feel comfortable with the middle school routine, Mrs. Tricia Slemc, our fifth grade homeroom teacher, along with technology coordinator, Miss Kristen Gambatese, will introduce them to the applications they have available to them through G Suite for Education on the new Chromebooks. According to Mrs. Slemc, **“Technology allows all students to express themselves through online discussions and encourages collaboration among students as they show what they know in a variety of ways.”**

2018 - 2019 HIGH SCHOOL YOUTH GROUP

Hello to all high school students!! We would like to invite you to another year of High School Youth Group- "Just Us." Just Us meets approximately twice a month on Sunday evenings from 7 to 9pm with a speaker or meeting for the first hour and open gym or reflection / hang out time in the youth room for the second hour. There is no registration or fees, so just come when you can. We do ask that if you (or your parents) are interested in receiving e-mail reminders of upcoming events, let us know a good e-mail address to reach you. Mark your calendar for the first meeting: Sunday, September 9th, from 7 to 9pm. We can talk about a Browns' victory... :)

We also want to wish those heading off to college all the best. We pray that you study a lot, have fun, and keep exploring your Catholic faith.

Please let us know if you no longer wish to receive youth group email reminders, and we will take you off the email list. Please contact High School Youth Minister Erin Conway at 216-991-1444 or econway@stmdphs.org or Pastoral Associate Tim Sokal at 216-991-1444 or tsokal@stdominicschool for more information.

WELL BRINGS WATER TO SALVADOR

The members of the St. Dominic Farm Community hosted a grand fiesta to celebrate a newly constructed water well in Chilitupan last weekend. This well will provide water to the St. Dominic Farm and a nearby community of 200 families that have been living without adequate water. Until now, these people have had to gather water from a nearby creek that is often arid during the dry season.

Thanks to the efforts of the Solon Rotary Club, led by its president and St. Dominic parishioner Glenn Gable, Rotary was able to fundraise over \$60,000 to complete this project. While Rotary was assembling its financing, hydrologists, engineers, politicians, community leaders, Rotarians, and our partners at Santo Domingo worked to bring this project to completion. After three years, the dream is now a reality!

Glenn Gable Meets with the San Salvador Rotary

The well is 505 feet (154 meters) deep and capable of producing an average of 2,700 gallons per hour. Because of this large output, the St. Dominic Farm will be able to increase its production of fruits and vegetables as well as grow its crops year-round. The project also includes several pumps and cisterns so neighboring communities may have access to water.

“Together we produced a small miracle to make a big difference in these people’s lives.” – Glenn Gable, parishioner & Solon Rotary President.

JOIN A THEA BOWMAN MEAL TEAM

The Thea Bowman Center serves one of the most impoverished neighborhoods in all of America. Less than three miles from St. Dominic, it might as well be a world away. St. Dominic parishioners seek to build bridges with our neighbors at the Center through our hot meal ministry, GED tutoring, food pantry & clothing donations, financial support, and prayers.

St. Dominic parishioners prepare and serve lunch at the Thea Bowman Center on the 2nd Saturday of each month. Volunteers are needed for our next meal scheduled for Saturday, September 8th. Help in the kitchen or spend time in the dining room sharing hospitality with the Thea Bowman Center guests. Your gifts are needed!

“Working with Project Serve at Thea Bowman is not only an opportunity to serve others but a way to express my gratitude for the many blessings we have.” – Anonymous

DUPLICATE BRIDGE

St. Dominic Church has been hosting monthly Couples Duplicate Bridge since the 1970s, which is more social than competitive. Couples take turns in co-hosting the evening and providing refreshments. The group consists of twelve to fourteen couples and gets together the final Friday evening of the month in the Large Meeting Room.

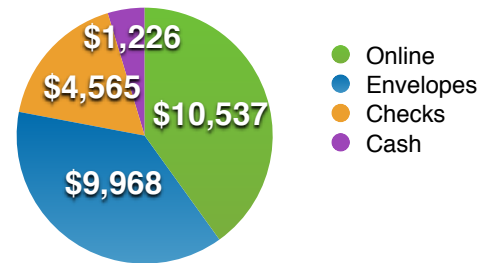

Contact Chris Main at 216-751-1592 or cmail@sprintmail.com for more information. Both couples and individual players are sought as substitutes for 2018 and possible full time members for 2019. All ages are encouraged.

THANK YOU FOR YOUR PARISH SUPPORT
