

POLLOS PARA SANTO DOMINGO

("Chickens For Santo Domingo")

"Give someone a chicken and you feed them for a day; teach someone to raise chickens and you feed them forever."

The original version of this adage referred to fishing, but the meaning holds true. **In six short weeks, your \$50 gift of a coop, 15 chicks, and feed is transformed into nutritious meals, a product to sell, and profits to buy more chicks.** Our Salvadoran brothers and sisters also gain dignity, pride, and self-sufficiency. Members of Santo Domingo parish will build the coops and all families who receive the chicks will be taught how to care for them.
